Co-written by an author who garners more accolades and rave reviews from instructors and students with each succeeding edition, INTRODUCTION TO PSYCHOLOGY: GATEWAYS TO MIND AND BEHAVIOR, TWELFTH EDITION attracts and holds the attention of even difficult-to-reach students. The Twelfth Edition's hallmark continues to be its pioneering integration of the proven-effective SQ4R learning system (Survey, Question, Read, Reflect, Review, Recite), which promotes critical thinking as it guides students step-by-step to an understanding of psychology's broad concepts and diversity of topics. Throughout every chapter, these active learning tools -- together with the book's example-laced writing style, discussions of positive psychology, cutting-edge coverage of the field's new research findings, and excellent media resources -- ensure that students find the study of psychology fascinating, relevant, and above all, accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
